Angel of Hope Monument

The Angel of Hope Monument is being created in partnership between Dignity Memorial as a donation to The TEARS Foundation. This monument will be placed at the beautiful Harry J. Will Funeral Home in Wayne, MI, as a tranquil place to remember, honor, and never forget the little ones who have gone too soon through pregnancy or infant loss.

The Angel will be holding a baby and a poem of hope will be etched in the granite next to the Angel. Two butterfly monuments will be placed on the sides of the Angel of Hope and include the names of babies who are loved and remembered. Benches will be placed so families can have a place to sit and reflect. Whether your child died due to miscarriage, stillbirth, or infant death, may you find healing and peace with a public memorial to honor your child.

To have a baby's name etched onto one of the butterflies for the unveiling ceremony, please fill out the form below with either your participation in the Guardian Angel Club or one-time gift of \$250 and submit by June 30th, 2015.
